ILD, Institute for Learning and Development, a professional, clinical and educational organization, is currently hiring educational specialists. ILD provides neuropsychological assessments, specialized one-to-one strategy instruction, specialized reading, writing, and math instruction, and speech/language therapy to students with learning and attentional differences.

Minimum qualifications include:

- * Experience teaching strategies to middle and high school students with LD/ADHD/EF difficulties
- * Experience teaching/coaching students with executive function difficulties
- * Experience working with schools and parents
- * Experience with both English/Social Studies and Math/Science curriculum
- * Masters degree in special education or related field

Benefits may include training in diagnostic assessment, professional development, SMARTS EF Training, and attendance at ResearchILD's annual Learning Differences and Executive Function Conferences.

Websites: www.ildlex.org, www.researchchild.org, www.smarts-ef.org
Please send *cover letter* as well as resume to Joan Steinberg, M.Ed. by email (jsteinberg@ildlex.org) or regular mail (ILD, 4 Militia Dr. Suite 20 Lexington, MA 02421).
