

# College Boot Camp: NEW!

## For rising high school seniors

*This course will prepare students, especially those who learn differently, to better understand the challenges of the high school to college transition.*

**Tuesday, July 30 4:00-7:00pm**

College Boot Camp provides the perfect opportunity for students who are high school seniors this fall to explore a variety of topics as they prepare to enroll in a post-secondary program in fall, 2020.

Students will:

- Understand the importance of self-disclosure and self advocacy in requesting reasonable academic accommodations.
- Role play to learn about the student/professor dynamics.
- Review the expectations and availability of professors and on-campus resources.
- Learn the important role of metacognition and executive function strategies in students approach to time, organization and project management.

Students will leave the session with a greater understanding of college expectations and the ability to self-advocate and evaluate the best courses for their strengths and needs.

**FEE:** \$165 (includes materials)
