

THE INSTITUTES FOR LEARNING AND DEVELOPMENT

Part-time Position Available for a Pediatric Neuropsychologist or Clinical Psychologist

The Institute for Learning and Development (ILD) is dedicated to transforming the lives of students with learning differences such as: dyslexia, ADHD, and executive function difficulties. We collaborate with parents, teachers, and other professionals to evaluate and teach students of all ages so they become strategic learners and attain unique pathways to success.

Our Institutes provide:

- Consultations- Parent and School
- Comprehensive Psychological and Educational Evaluations
- Educational Therapy/Specialized Tutoring/Remediation
- Executive Function Coaching
- Access to our SMARTS Executive Function Curriculum
- Professional Training and Parent Education
- Opportunities for professional collaboration and growth as part of our non-profit ResearchILD conferences and SMARTS Executive Function programs

Position: We are seeking a **part-time neuropsychologist or clinical psychologist** to complete comprehensive psychological and educational evaluations for children and adults of all ages, and consult with families, schools, and other professionals.

Responsibilities:

- Conduct comprehensive neuro-psychological and educational evaluations
- Consult with parents, teachers, and other professionals
- Provide parent and child/adult feedback meetings
- Write comprehensive evaluation reports using ILD's process approach
- Participate in supervision meetings with team members

Qualifications:

- Ph.D. or Psy.D.
- MA-Licensed psychologist, neuropsychologist, or clinical psychologist
- Minimum of 3-5 years' experience

Personal Characteristics:

- Excellent interpersonal, organizational, and team skills
- Outstanding written and oral skills
- Flexible and attentive to details
