

# Summer Bundle pricing is back!

Learning may look different now, but we are here to help.

## Pre-pay and Save on all Educational Services

Students have experienced a dramatic shift in their educational experience. The current gap in learning has created a greater need for specific skill-building sessions. Summer offers the best opportunity to address areas of learning challenges that will allow students to enter the next grade more confident and better prepared. Our specialists are Master's degree level clinicians who have experience in meeting the needs of students with diverse learning profiles.

**WHO:** For all new and returning students

**WHEN:** June 21 through Sept. 3, 2021 (flexible scheduling)

**WHERE:** Online or in-person at our office (depending on CDC guidelines)

### Special summer bundle pricing:

For more information, call Joan Steinberg at 781-861-3711, ext. 110 or email [jsteinberg@ildlex.org](mailto:jsteinberg@ildlex.org). Students will be registered on a first come, first served basis.

**This summer**, students can learn and practice strategies that will improve basic skills and build executive function processes simultaneously.

Here are some possibilities:

- Reading: decoding, fluency, comprehension, specialized instruction (e.g., OG, Wilson, LiPS, Project Read)
- Writing: structured and/or creative writing
- Math: fill in gaps, fluency, curriculum preview for next year
- Summer reading or summer course work
- Test prep: SAT, ACT, SSAT, ISEE
- College prep: Common App essays, study skills
- Executive Function: Time management, organization, test-taking, etc.
