

RESEARCH INSTITUTE FOR
LEARNING & DEVELOPMENT

Plan now for fall success with our summer bundles!

Save on all educational services
with our
8 session or 12 session
pre-paid packages

Effective June 26-September 1, 2023

These strategic skill-building sessions for all ages will enable students to enter the next grade more confident and better prepared. Over the summer, each student will meet with his/her educational therapist one or more times per week for a total of 8 or 12 sessions. Our specialists are Master's degree level clinicians who have experience in meeting the needs of students with diverse learning profiles.

Students can learn and practice strategies to improve basic skills and build executive function processes.

- Reading: Specialized instruction in decoding, fluency, and comprehension, (e.g., OG, Wilson, LiPS, Project Read)
- Writing: Structured and/or creative writing
- Math: Fill in gaps, fluency, curriculum preview for next year
- Summer coursework
- Test Prep: SAT, ACT, SSAT, ISEE
- College prep: Common App essays, study skills
- Executive Function: Time management, organization, study, and test-taking strategies

“The summer sessions helped our daughter to figure out how she could better plan for bigger projects, and also break her nightly homework assignments into smaller steps. It was clear after just a few sessions how empowered she felt!” --parents of 7th grader
